Performance Shops
Radiator Shops
Restoration Shops
Trucking Companies
Truck Repair Shops

COMMERCIAL -

Air Compressor Shops
Bakeries
Bottling Plants
Car Washes

Chainstore Maintenance & Fleet Shops
College & University Maintenance Shops
Concrete Plants
Concrete Pumpers
Equipment Rental Dealers
Food Processors
Hospitals
Hotels
Injection Molding Plants
Laundries
Material Handling Dealers
Outdoor Advertising Companies
Pre-Stress Plants
Refusal & Garbage Companies
Restaurants
School Bus Maintenance Shops
Scrap Yards
Tree Surgeons
Warehouse Maintenance Shops

CONSTRUCTION -

Building Contractors
De-watering Contractors
Electrical (Highline) Contractors
Mechanical Contractors
Painting Contractors
Rigging Contractors
Road Builders
Site Prep Contractors
Structural Contractors

Underground Contractors

FORESTRY -

Forestry Dealers & Shops
Lumber Treating Plants
Lumber Yards
Planner Mills
Tree Harvesting Companies
Saw Mills

GOVERNMENT -

Airport & Golfcourse Maintenance
City & City County Generating & Distribution Shops
Maintenance & Fleet Shops
Military Installations
Sewage Treatment Centers
State Road & Building Maintenance Shops

HYDRAULIC -

Hydraulic Hose Distributors
Hydraulic Hose Fabricator - with any type of Crimping Equipment
Hydraulic Repair Shops
Rubber & Gasket Distributors

INDUSTRIAL -

Board Mills

Chemical Plants
Generating Plants
Manufacturing Plants - All Types
Mining Operators
Paper & Pulp Mills
Petroleum Plants
Plywood Mills
Scrap Yards

MARINE -

Barge & Towing Operators
Boat Repair Shops
Cargo Handlers

manufacture
Hydraulic Hose
Assemblies, Metal
Tube Assemblies,
Air Conditioning
Assemblies, Power
Steering Assemblies,
Control Cable
Assemblies,
Combination Hose
and Tube Assemblies
..and much more!

Standard Crimping
- All Brands -

Battery Cable Crimping

Vending Hose Crimping

Cooking Oil Food Grade

A/C Bubble Crimping

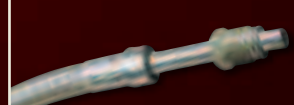

Teflon Crimping

Steel Wire Crimping

P/S Staking Crimp
& P/S Bubble Crimping

Teflon P/S Crimping

Hydraulic Brake Program

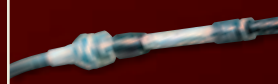

Shell Crimping
Low Pressure

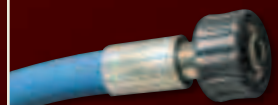

Step Down Crimping

A/C Staking Crimp

Push-Pull Control Cable

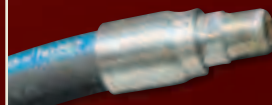

Pressure Wash Crimping

Thermoplastic Crimping

A/C Smooth Face Crimp

Step Up Crimping

Tube Reduction
For Brazing

Tube Flanging For O-Ring Face Seal Applications

A/C Male Insert O-Ring Stem Forming

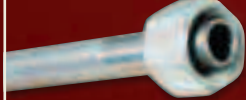

Steel O-Ring Tube Beading 1/4" Thru 5/8"

Metric Tube Downswage Forming

Ferrule Splitting Procedure For Stem Recovery

Metric Tube Upswage Forming

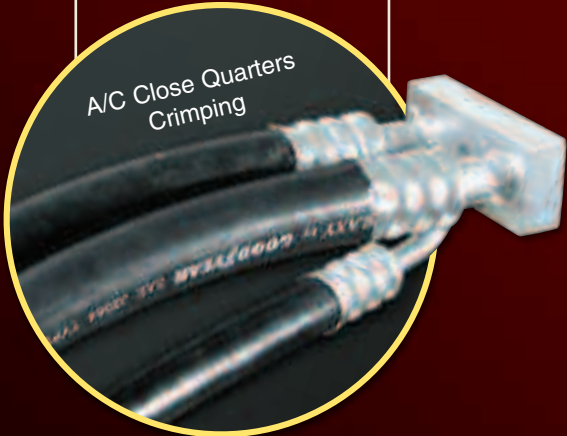

A/C O-Ring Bead & Stem Forming (Alum. & Steel)

Teflon A/C Blade Crimping

Teflon Stainless Steel Hose Swaging To 7/8"

A/C Close Quarters Crimping

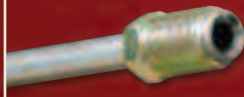

Upswage For Braze Forming

Tube Bulging For Low Pressure Applications

Bubble Flaring 3/16" & 1/4" Brake Lines

Double Flaring 3/16" & 1/4" Brake Lines

45° Double Flaring To 3/4"

45° Single Flaring To 3/4"

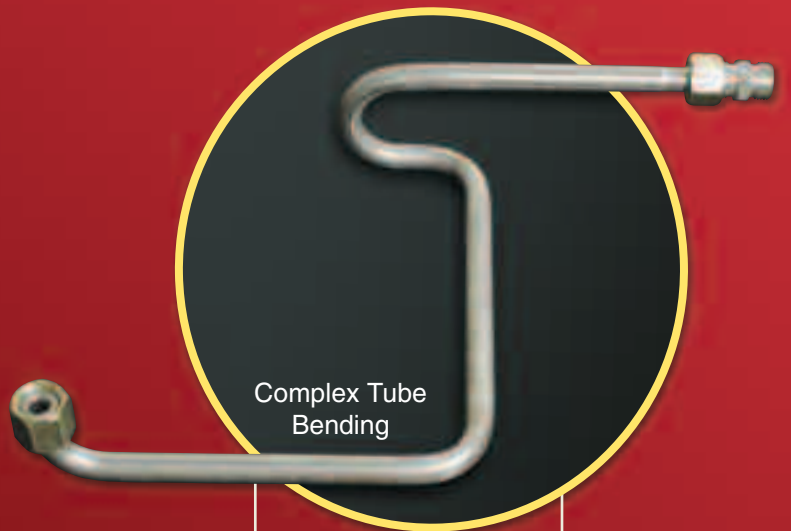

37° Double Flaring To 1-1/4"

37° Single Flaring To 1-1/4"

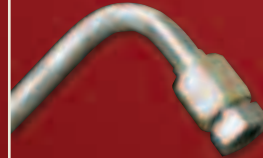

A/C Beadlock Forming

Complex Tube Bending

Extreme Close End Bending

Standard Close End Bending

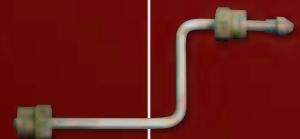

Long Radius Tube Bending

Large Tube Bending

Brake Tube Bending

Diesel Fuel Injection Tube Bending

Slow Radius Tube Bending
